Forest Products Inc.

Montreal, March 16th 2010,

We are pleased to announce the merger of Summit Forest Products Inc. and Canadian Wood Products – Montreal Inc. effective April 1st 2010. Our companies share similar values: professionalism, entrepreneurship and commitment to our clients, suppliers and employees. Together we will greatly benefit from each other's strengths.

This merger will give us further diversification and enable us to take advantage of the upcoming growth opportunities in our markets. United, we will put tremendous efforts into maintaining and improving our business relationships and consolidate **Canadian Wood Products's** position as an industry leader in the distribution of forest products.

Please do not hesitate to contact us for more information.
